## Texans Support Marriage ‘Social Media Storm’

**Friday, January 9th: 9 AM - 1:00 PM**

This Friday, January 9, is the court hearing on Texas’ marriage laws at the federal Fifth Circuit Court of Appeals in New Orleans. Texas Values president and attorney, Jonathan Saenz, and members of the Texas Values team will be attending the hearing. Please be in prayer this week, especially on Friday, as the state of Texas defends our marriage laws between one man and one woman. The Louisiana and Mississippi marriage laws will be considered in court the same day.

With this historic case set for Friday, now is a critical time for Texans to commit to boldly stand for marriage and for Texas’ right to self-governance. Join our effort on Friday during the court hearing to stand for marriage as one man and one woman by participating in our ‘social media storm.’
