

PETITION AGAINST PROPERTY TAX-FUNDED ABORTIONS BY THE TRAVIS COUNTY HEALTHCARE DISTRICT

We the Citizens, Voters, and Taxpayers of Travis County, Texas, urge the Board of Managers of the Travis County Healthcare District to stop allocating \$450,000 annually for abortions (budget line item “Women’s Services”). These are abortions on healthy women with healthy unborn children. Women deserve better options than abortion, and we taxpayers deserve better use of our tax dollars!
