ABOUT US

About the Policy Forum:

The Policy Forum is the largest event of its kind in Texas, running 7 years in a row. You will hear from leaders from across the state and nation as they discuss family values in public policy - including **life, marriage, religious freedom, and human sexuality.**

You will also be educated by the leading experts in family policy in the legislature, courts, and media while being inspired by Texans just like you who are advancing pro-family values in the culture.

About the Host:

Texas Values is a 501(C)(3) non-profit organization that began in 2012, but its leaders and board members have a 50-year legacy of being involved in Texas law and policy. Texas Values seeks to preserve and advance a culture of family values in the state of Texas. We stand for biblical, Judeo-Christian values by ensuring Texas is a state in which religious liberty flourishes, families prosper, and every human life is valued.
