About Texas Values:

Texas Values is a 501(C)(3) non-profit organization that began in 2012, but its leaders and board members have a 50-year legacy of being involved in Texas law and policy. Texas Values seeks to preserve and advance a culture of family values in the state of Texas. We stand for biblical, Judeo-Christian values by ensuring Texas is a state in which religious liberty flourishes, families prosper, and every human life is valued.
